A  
I hear that train song coming, They're playing it again  
it seems like I've been playing it since I dont know when

D A  
I'm bored of Folsom Prison its getting on my nerves  
E7 A  
and if I hear it one more time I might just go beserk

A  
When I was just a baby my mama told me son  
dont play Folsom Prison or I'll have to get my gum  
D A  
well she shot a man in Blackpool before the second verse  
E7 A  
it may be an easy twelve bar but there is nothing worse

A  
I bet there's people playing it in some ukulele bar  
along with bring me sunshine valerie and ring of fire  
D A  
it may fun for strumming, its in a easy key  
E7 A  
but that train song keeps on coming and thats what tortures me

A  
if I tore it from my songbook if I threw it in the trash  
I'd still remember word for word the songs of Johnny Cash  
D A  
they've scarred my brain forever they're in there till I die  
E7 A  
that's why when I hear that train song, I hang my head and cry
