

Low Winter Sun

C F C
low winter sun
F C
reflecting on the sea
C F C
leaves turning gold
Am G C
falling from the tree

C F C
Memories flooding back
F C
I thought of you today
C F C
My heart is faded black
Am G C
Now you're so far away

F G C
Low winter sun
F G C
The seasons pass us by
Am G C
Low winter sun
F G C
The biiiiirds watch me cry

C F C
Our love was oh so true
F C
You threw it all away
C F C
Why did you have to go
Am G C
I long for yesterday

F G C
Low winter sun
F G C
The seasons pass us by
Am G C
Low winter sun
F G C
The biiiiirds watch me cry
