

Dead Rat
The Hedge Inspectors ©2015

 G D Em C
Saw a dead rat at the side of the road
 G D Em C
It's feet sticking up in the air
G D Em C
Mouth open wide and his tongue to one side
 G D Em C
His eyes were fixed in a stare

 G D Em C
So I gave him a nudge with the toe of my shoe
G D Em C
To see if he still had life in him
 G D Em C
Well he didn't move he was stiff as a board
 G D Em C
So I kicked him again sent him spinning

Chorus

 G D Em C
He's a dead rat flying through the air
G D Em C
Dead rat flying through the air
 G D Em C
He's a rat and he's dead and he don't care
 G D Em C
He's a dead rat flying through the air
